What is the Marketplace Circle of Champions?

Each year, the Marketplace Circle of Champions program recognizes thousands of agents and brokers across America—highlighting their hard work, expertise, and service. Whether they're helping individuals complete an application, select a plan, or manage coverage, agents and brokers play a critical role in the success of the Health Insurance Marketplace.

To commemorate the hard work and commitment of agents and brokers, CMS created the Marketplace Circle of Champions program which provides special recognition to agents and brokers who have actively enrolled 20 or more consumers to demonstrate their expertise and experience in helping consumers find health coverage.
